

Decodable Books

For older readers

Decodable books to take the student from CVC word level text through to adjacent consonants, consonant digraphs, suffixes, and the introduction of alternative spellings for vowel sounds

Catch-up readers

Decodable books perfect for Tier 2 and Tier 3 intervention programs

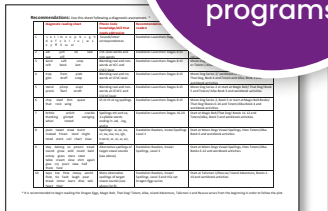

Develop confident readers and reading fluency

Decodable books with fantasy and adventure stories for Grade 3 and above

Use the catch-up readers for summer reading intervention programs

1 Assess where they are

When a student begins a reading intervention program it is important to assess where the student is at, what knowledge and skills they have, and what they need to learn.

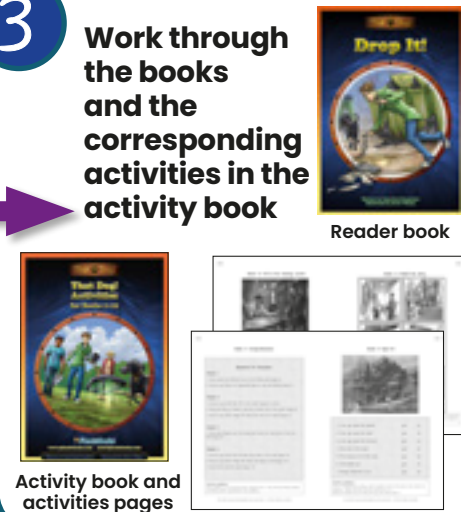

Assessment Sheet

2 Select a set of Phonic Books based on the recommendation

3 Work through the books and the corresponding activities in the activity book

Phonics-based decodable books for older readers

- Ideal for practicing specific decoding patterns in the context of a larger narrative
- Each book focuses on a set of letter sounds and spelling patterns for readers to practice
- Engaging stories and graphic novel-style illustrations
- Action-packed stories in short books
- Parallel sets provide many opportunities to teach and practice decoding skills

Activity books

- Offer comprehension, blending, writing, and spelling activities
- Develop skills key to becoming a proficient reader (blending, segmenting, and phoneme manipulation)
- Provide a simple and effective way for students to develop their reading and spelling
- Use the set of readers with the corresponding activity book
- Some of the activities precede reading the books

 Alba Series, Activity Book 9781783692781

The 12 books in these sets offer step-by-step phonics progression within exciting, beautifully illustrated, age-appropriate stories. This series covers the essential phonics foundations a catch-up student will need, starting at CVC/CVCC level. It will appeal to both boys and girls. The **Alba** series follows the same phonics progression as the **Totem** series.

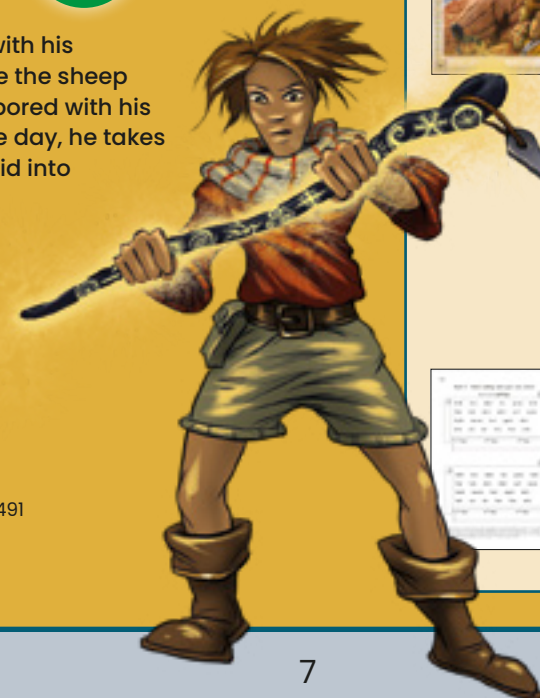

Totem

Set of 12

Zak is eleven years old. He lives with his grandpa. Every day, he must take the sheep up to the hills to graze, but he is bored with his job. He dreams of adventure. One day, he takes his shepherd's staff and his pet kid into the hills with his flock, as usual. Two men kidnap him and his adventures begin. Along the way, his staff acquires special powers. He makes a new friend, and together they face great danger. How will they survive? Will Zak ever see his grandpa again?

Titan's Gauntlets

Set of 10

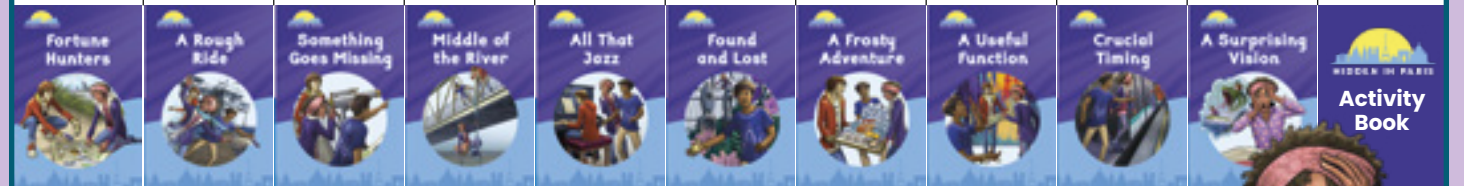

Titan's Gauntlets Series 9781783692873
Titan's Gauntlets, Activity Book 9781783692880

One day, Finn is fishing in the ocean when he is caught up in a violent storm. Before he knows what has happened, he finds himself on a strange island, talking to an even stranger bird. He discovers he has been chosen to stop the evil Winged One from destroying the world. With the help of a pair of magic gauntlets, Finn must awaken the dormant Titan. Can he harness the power of the gauntlets? Is he really The Chosen One? Can he save the world before it is too late?

Titan's Gauntlets and Hidden in Paris are sets of 10 imaginative stories with fantastic illustrations. They introduce further alternative vowel and consonant spellings and common Latin suffixes. Titan's Gauntlets follows on from the Talisman Series and offers increasingly challenging texts for children who are coming to grips with the complex spellings of English. Sixteen full-color pages in each book will stimulate and engage the older reader.

AMBER GUARDIANS

Set of 10

Action packed from start to finish, these 10 exciting stories feature Finn, a well-known character from the Magic Belt series. In this series, a chance discovery of an ancient necklace in a dusty bazaar leads Finn and his friends on an incredible quest.

Carefully written with a higher text to illustration ratio, these longer stories (26 pages) build reading stamina and motivate older readers. Designed to bridge the gap between decodable and mainstream books, these stories are a stepping stone toward having the confidence to understand meaning purely from text.
